**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition.

Competition, local broadband providers, and a fair playing field are important for an open and democratic society.

I oppose increasing the cost of internet and telephone services via unnecessary price hikes.

I very much appreciate local internet and telephone services that are tailored to the needs and requirements of my home and community.
